

Wi-Fi Membership

The Dreamscheme has started a yearly Wi-Fi membership a safe and secure network for the young people to browse the internet

The Dreamscheme will charge a small fee of £10 a year for our WIFI regardless of when you sign up and will be renewed every September.

This membership will take place as soon as the membership form is returned completed with the £10 fee.

We have spent time ensuring we have the right software to make the Wi-Fi network safe to use.

A behaviour agreement will be set in place for protection of people and property within Aspatria Dreamscheme organisation

BEHAVIOUR AGREEMENT

I (Young person) Agree to...

- 1. RESPECT YOURSELF:** I agree to respect myself and not make myself vulnerable by sending inappropriate pictures or messages to other people while on social media.
- 2. RESPECT OTHERS:** I agree to respect other people and not hurt others by filming or sending messages that are classed as bullying. Any reports of online bullying will not be tolerated and I know I will be banned.
- 3. RESPECT THE CLUB/PROPERTY:** I understand that the Dreamscheme laptops and Xbox has monitoring software on for the young people’s protection and misuse of these will end in a temporary ban.
